## “Sweet Art Birthday”

**As part of its 18<sup>th</sup> birthday celebrations Beechworth Sweet Co proprietor Judi Borschman had a brilliant idea.**

Good friend and international award winning artist Peter Caddy lived nearby and had watched as the Sweet Co mushroomed and blossomed. She decided to commission Peter on a major piece of art that symbolized her life and business. Things that were her passion... dolls, bright colours, teddies, fairies and of course lollies!

The result is an amazing piece of emotionally charged work. A large pastel and watercolour painting with many layers entitled “*Kaleidoscopic Menage, Sweet Co 1992-2010*”.

"This work is a breakthrough and a departure from Peter's renowned landscapes. The work began months ago and is now completed for our 18<sup>th</sup> birthday. Peter has done a brilliant job and this could be his greatest work so far. It was challenging work which pushed all the boundaries". Judi said

*Kaleidoscopic Menage* is on display as a print at The Sweet Co and will also be released on postcards and greeting cards in the new year. For more information visit [www.beechworthsweetco.com.au](http://www.beechworthsweetco.com.au)
